Field Event on Winter Canola Stand Assessments

Thursday April 7th, 9:30 – 11:30am
Momentum Grain Farms, Emily & Shawn Helmuth
Conn, Wellington County

Agronomists and producers are invited to a short field event to discuss winter canola plant health assessments in the spring, and hear from the producer, agronomist and seed dealer.

Where: 8026 10 Line, Conn ON (43.950427, -80.554443). Northeast corner of Wellington County Rd 14 and 10 Line.

Agenda:

9:20	Coffee
9:30	Welcome, Introductions **Tim Meulensteen**, C&M Seeds - Update
9:45	**Emily & Shawn Helmuth** – Canola management on this farm, seeding equipment. **Luke Hartung**, Agronomist with North Wellington Co-op – Experience with winter canola
10:45	**Meghan Moran, OMAFRA** – Plant health assessments and stand counts

No RSVP required.

Bring your own chair if you would prefer to sit in the field.

NOTE! There are no washrooms at this site and no coffee shops nearby. Stop at Tim Horton's in Mt Forest or Arthur on your way.

You will be provided with boot covers to prevent movement of SCN and clubroot.
